Hey Mike.

As an FYI, I met with Allison regarding several things last week and this FOIA was one of them. She advised that we do an email search. I submitted the request to the SPOC on Thursday and am now waiting on results (if any). The request due date is 4/28 but we may need an extension. Not sure how you want to handle reaching out to the requester (sooner vs later). I suspect that it's not going to be much since both Gary and AFGE General counsel believe that he has no responsive records (although there are 2 messages in which he was copied).
